LARUS

IPv4 Anytime Anywhere

An IPv4 leasing company

LARUS — On-demand IPv4 Leasing Provider

LARUS delivers on-demand IPv4 leasing, giving you access to IP addresses directly from our pools within 24 hours.

With our secure and transparent platform, you can enjoy a hassle-free experience and flexible solutions designed to meet your business needs.

Beyond on-demand IPv4 leasing, LARUS delivers additional solutions:

IPv4 Management

End-to-end support for allocation, monitoring, and optimization of IP resources.

RIR Membership & Infrastructure Services

Guidance on membership applications, compliance, and infrastructure setup.

Buying & Selling IP Addresses

Secure brokerage services to simplify and accelerate IP transactions.

LARUS Network Partnership Program

Join our worldwide partner ecosystem to monetize infrastructure and access exclusive IP benefits.

- Official LARUS Partner status
- Monetize existing PoPs, no extra capex
- On-demand IP access via API
- Special IPv4 rates & Partner discounts
- Client referral rewards & Publicity exposure
